Just Neighbors® is an interactive multi-media curriculum that will:

- Educate your group about poverty.
- Spur them on to greater service.
- Empower them as advocates for neighbors in need.

The **REVISED** ToolKit contains: The 2008 Facilitator's Guide, a "What Would You Choose" audio CD, a DVD featuring five original videos, 8 Decision Making Booklets, 45 script cards for "Housing Matters," 15 Children's Discovery Cards, and 20 Character cards for "Justice For All."

Use your *Just Neighbors*® Toolkit for:

- An adult education series
- A half day or full day issue workshop
- A weekend retreat
- Preparation for service and ministry trips
- Recruiting new mission participants
- Training volunteers
- Ecumenical, town-wide projects

Examine issues at the root of poverty.

Discard myths, learn the facts.

"Eight Things to Do" with each session.

Advocate for policies to reduce poverty.

Are you just a neighbor? Or, are you a Just Neighbor?
