Report on the Financial Statements

We have audited the accompanying financial statement of Family Promise, Inc. (Formerly known as the National Interfaith Hospitality Networks, Inc.), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, functional expenses and cash flows, and Schedule of Capital Campaign Income and costs for the year ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Family Promise, Inc. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 23, 2015 on our consideration of Family Promise, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Family Promise, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 1: Nature of Activities and Summary of Significant Accounting Policies

a. Nature of Activities

Family Promise, Inc., (formerly known as The National Interfaith Hospitality Networks, Inc.) is a non-profit, non-denominational, volunteer-based organization that mobilizes communities to help homeless and low-income families achieve sustainable independence through the creation of local network programs. The Organization is supported primarily through donor contributions and grants.

b. Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Certain grants cover several years with payments made each year. The payments are recognized each year as received to have a proper matching of support and expenditures.

c. Contributed Services

During the year ended December 31, 2014, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization.

d. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

e. Property and Equipment

Donations of property and equipment are recorded as support at their estimated Fair Value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in services as instructed by the donor.

Note 1: Nature of Activities and Summary of Significant Accounting Policies (cont'd)

e. Property and Equipment (cont'd)

The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Furniture and equipment is depreciated using the straight-line method. The estimated useful lives are from 5 to 7 years.

Repairs and maintenance which do not extend the useful life of the related assets are expensed as incurred. Depreciation expense for the year ended December 31, 2014 amounted to \$29,659.

f. Leasehold Improvements

In 1999 and 2000, the Organization paid a total of \$698,630 for renovations to the building in downtown Summit, New Jersey. The renovations were in lieu of rent for a period of 20 years. The improvements through the year ended December 31, 2003 had been depreciated over 30 years. The balance was \$605,573 at December 31, 2003. This balance will be amortized over 16 years, the remaining period of the lease, at \$37,848, per year (see Note 3).

g. Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards, Financial Statements of Not-for-Profit Organizations. Under this statement, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

h. Contributions

The Organization has elected to adopt Statement of Financial Accounting Standards, Accounting for Contributions Received and Contributions Made. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 5: Fair Value Measurements

The Organization's financial instruments consist primarily of cash and cash equivalents, investments, accounts payable and accrued expenses.

The carrying value of cash and cash equivalents, accounts payable and accrued expenses approximate their fair value due to the short-term nature of such instruments.

The Organization's investments are reported at fair value in the accompanying statement of financial position.

| | |
|------------------------------|------------------|
| | December 31, |
| | <u>2014</u> |
| Fair Value | <u>\$905,436</u> |
| (Level 1) | |
| Quoted Prices in Active | |
| Markets for Identical Assets | <u>\$905,436</u> |

FASB "Fair Value Measurements", establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were used for the organization's investments.

Level 1 Fair Value Measurements

The fair value of equity securities is based on quoted net asset value of the shares held by the organization at year-end.

Note 6: Retirement Plan

The Company has a 403(B) Annuity Plan with Metropolitan Life Insurance Company. An employee becomes a Participant in the Elective Deferral portion of the Plan on his/her first day of employment with the employer. If employed more than 12 months, 100% vesting is required. The Company's contribution for the year ended December 31, 2014 was \$19,177.

Internal Control Over Financial Reporting

Management of Family Promise, Inc is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Family Promise, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness or of the entity's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Family Promise, Inc's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information of the audit committee, management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
